### **RE: M.A.T.S.S. of Syosset Adds New Theatre Arts Program**

M.A.T.S.S. Kids' Gym & Early Childcare Education Program of Syosset is pleased to announce that it has partnered with *Wendy Taubman's STARS OF TOMORROW* – a Children's Theatre Workshop coming this September. Formerly located on Robbins Lane in Syosset, they have now moved their program to the M.A.T.S.S. Center.

The additional programming will enhance M.A.T.S.S.' Enrichment Programs with such classes as Song & Dance, Musical Theatre, Improvisation & Commercials, Acting and Fitness. It will provide the opportunity for children who are enrolled in M.A.T.S.S.' DayCare, School & Summer Programs, to also participate directly, as well as older children from the community.

*"We welcome Wendy and are excited to have her amazing program join us. It's a wonderful addition to our Rainbow of Programs" --- said, Nancy Wohlsen, Director of M.A.T.S.S Syosset.*
